### **1.00—Specifications of Commodity and/or Service Requirements**

#### **SPECIAL TERMS AND CONDITIONS FOR CRACK AND JOINT SEALING**

The purpose of this solicitation is to receive firm bids from which the Transportation Cabinet, Division of Purchases, can award Master Agreements (Price Contracts) to bidders to rout, clean and seal cracks and joints in asphalt pavements, resaw, clean and seal joints and random cracks in JPC pavement as well as clean and fill voids in asphalt pavements. Except as provided herein, conform to all requirements of the Transportation Cabinet's 2012 Standard Specifications for Road and Bridge Construction. Section references herein are to the Cabinet's 2012 Standard Specifications for Road and Bridge Construction.

A link to the Standard Specifications can be found at:

<http://transportation.ky.gov/Construction/Pages/Kentucky-Standard-Specifications.aspx>

The attached prevailing wage rates shall apply to resulting contracts.

#### **Experience**

Upon request vendor shall provide documentation of a minimum of five years experience performing cracksealing or similar type work and providing traffic control on state highways.

#### **INSURANCE**

Provide proper insurance coverage to indemnify the Commonwealth of Kentucky and to hold the Commonwealth of Kentucky harmless against all loss, expenses, or injury to person or property.

Evidence will be furnished to the Transportation Cabinet Division of Purchases each year that public liability (General Liability) insurance is carried on all equipment and their operators in the following amounts:

1500000887	<b>Document Phase</b> Final	<b>Document Description</b> Asphalt Cracksealing District 10 Huff Sealing	<b>Page 4</b> of 18
------------	--------------------------------	--	------------------------

General Liability \$1,000,000.00

And Kentucky worker's compensation insurance in accordance with the requirements of KRS 45A.480 and KRS Chapter 342.

It shall be the successful bidder's responsibility to maintain this insurance coverage at all times and to notify the Division of Purchases with any changes/additions which may occur.

Vendor must submit an ACORD Certificate (or equivalent) with the certificate holder listed as:

KYTC Div of Purchases  
ATTN: Jennifer Houchin  
200 Mero St  
Frankfort, KY 40622

#### **METHOD OF DELIVERY**

A. Locations and an estimate of quantities will be furnished to the Contractor through the issuance of a written Transportation Delivery Order.

B. All joints and cracks shall be sealed using hot applied modified crack sealant.

C. Traffic Control shall be supplied by the Vendor according to the Manual on Uniform Traffic Control Devices, current edition, at no additional cost to the Department. Vendor must conform to Section 112.03.12. Work may be required during night, weekend, and other off peak hours and available work shifts may be less than 8 hours. Notify the Engineer a minimum of 48 hours prior to beginning work and obtain approval of proposed work schedule.

D. Contract pay items shall consist of:

Rout, Clean and Seal Cracks and/or Joints in Asphalt Pavement, Unit = Pounds  
Saw, Clean and Seal Transverse Joints in JPC pavement, Unit = Linear Feet  
Saw, Clean and Seal Longitudinal Joints in JPC pavement, Unit = Linear Feet  
Saw, Clean and Seal Random Cracks in JPC Pavement, Unit = Linear Feet  
Clean and Fill voids in Asphalt Pavement, Unit = Pounds

The minimum quantity for a Delivery Order to rout, clean and seal cracks and/or joints in Asphalt Pavement will be forty thousand (40,000) pounds. The minimum quantity for a Delivery Order to saw, clean and seal joints/random cracks in JPC Pavement will be ten thousand (10,000) linear feet of longitudinal and transverse joints combined. The minimum quantity for a Delivery Order to clean and fill voids in Asphalt Pavement will be forty thousand (40,000) pounds. The minimum quantity may be adjusted if mutually agreed upon by the Engineer and Vendor. Vendors must achieve a production of 10,000 lbs/day for Asphalt Pavement and/or 10,000 lf/day for JPC Pavement.

Asphalt Pavements (Crack Sealing). The joint and crack routing machine shall be capable of routing existing asphalt and concrete surfaces along and adjacent to the joint or crack. The machine shall be capable of following random cracks. The machine shall have an adjustable depth control and be capable of cutting width modification. Joints and cracks shall be routed 3/4 inch X 3/4 inch. No sealant material

shall be placed until the joints and cracks have been cleaned of all loose dirt and material using a minimum of 125 psi/ 100 cfm air compressor. After routing and cleaning, all joints and cracks shall be heat lanced to clean and remove moisture. The heat lance shall be a LAB Model B or approved equal capable of producing air temperatures up to 2500 F. Joints and cracks shall be inspected and approved by the Department prior to placing the sealant material. Final joint and crack cleaning and heat lancing shall not proceed in advance of sealing by more than 1/8 mile. The sealant container shall be a thermostatically controlled heated oil jacketed tank with the ability to agitate the sealant. Sealant shall be leveled or struck down with the use of a 3 inch disk attachment at the end of the wand applicator. Joints and cracks in asphalt pavements less than 1/4 inch shall not be routed. The overband width of the hot applied modified crack sealant shall not exceed 3 inches in width or 1/8 inch in height above the surrounding pavement unless directed by the engineer. Glenzoi 20 Plus, Crafcro Detack or equal shall be sprayed on the placed sealant prior to opening to traffic at an application rate of approximately 1 gallon of Glenzoi 20 Plus/Crafcro Detack per 50 gallons of sealant. All debris from the work must be removed prior to opening to traffic.

JPC Pavements. The transverse and longitudinal joints in JPC pavements shall be re-sawed and cleaned to the minimum width required to expose clean and intact vertical faces of the joint. Saw and clean out existing old sealant and slurry debris to a minimum 1 ½ inches in depth. After re-sawing joints and removing existing old sealant clean sidewalls of joints by water blasting with min 3,000 PSI. Sandblast joint sidewall then blow out any residual dust and debris using the above specified air compressor equipped with a water filter. If any moisture is present use the above specified heat lance to dry joints. Clean joints before resealing according to the requirements for new seals. Fill joints with hot-poured elastic joint sealer from the bottom to the top of the cleaned joint with a recess of no more than ¼ inch and no less than 1/8 inch from the pavement surface. Use a Random Crack Saw to cut random cracks to a ¾ inch depth. Clean with above air and heat lance process. Shoulder joints shall be sealed in the same manner as above on JPC roadways with JPC shoulders. In cases where the JPC roadway has been constructed with asphalt shoulders, the asphalt shoulder pavement shall be sawed or routed adjacent to the JPC roadway to at least ½ inch to ¾ inch wide and at least 1 inch deep to remove existing sealant and/or debris and to remove any unsound pavement. If old sealant residual has remained after or rout process, the sidewalls shall be sand blasted. Heat lance as specified shall be used for final cleaning. Sealant placed in the shoulder joint shall be struck down with the use of a 3-4 inch disk attachment not to exceed an over band 3 inches wide and less than 1/8 inch thick in height above the surrounding pavement. All slurry and debris from the work must be removed prior to opening to traffic.

Asphalt Pavements (Filling Voids). Install mastic material in accordance with the manufacturer's recommendations. Final joint and crack cleaning and heat lancing shall not proceed in advance of sealing by more than 1/8 mile. All debris from the work must be removed prior to opening to traffic.

Perform work at any location within the Commonwealth of Kentucky as directed by the Chief District Engineer. Complete the work within Vendor's guaranteed delivery time (See Method of Award).

## **MATERIAL AND EQUIPMENT SPECIFICATIONS**

For Rout, Clean and Seal Cracks and/or Joints in Asphalt Pavement

Crack Sealant shall be Crafcro Polyfiber Type III. Sealant for asphalt pavements shall be single

component, pre-mixed and pre-reacted wrapped in plastic, boxed in UV resistant wrapped pallets with net weights and batch numbers on each pallet and box from the manufacturer. The sealant application life when heated to application temperature is approximately 12 to 15 hours. Product shall be able to be reheated to application temperature after initial heat up without specification degradation. Hot applied polymer modified crack sealant: The hot pour liquid crack sealant shall contain 5.0% +/- 1/2% polyester fibers by weight of asphalt components (recycled fibers are not permitted). Hot applied polymer modified crack sealant shall meet ASTM D5167 as follows:

<b><u>Fiber</u></b>	<b><u>Properties</u></b>
Type	Polyester
Denier	3 to 5
Specific Gravity	1.38
Min. Melt Temp.	475 F
Tensile Strength	78,000 to 88,000 PSI
Elongation at Break	35 to 38%

<b><u>Modified Sealant Material</u></b>	<b><u>Properties</u></b>
Cone Penetration, 77 F (ASTM D5329)	30 mm Max.
Safe Heating Temp.	400 F

Ductility, 77 F	10 cm min.
Softening Point	200 F
Asphalt Compatibility (ASTM D5329)	Pass

For Clean and Filling Voids in Asphalt Pavement

Sealant for Asphalt Pavements shall be Crafcro Mastic One and meet the following limits:

<b>Polymer Modified Binder</b>	<b>Properties</b>
Cone Penetration, 77 F (ASTM D5329)	60 max
Cone Penetration, 122 F (ASTM D5329)	120 max
Softening Point (ASTM D36)	200 F min
Flexibility (1", 180 F, 10 sec)	Pass at 32 F

<b>Aggregate</b>	<b>Properties</b>

Joint Sealant shall be Crafc0 221. Sealant for JPC pavements shall be a single component pre-mixed and pre-reacted wrapped in plastic, single block boxed in UV resistant wrapped pallets with net weights and batch numbers on each pallet and box from the manufacturer. Hot poured elastic joint sealant shall meet or exceed the requirements of ASTM D 6690, Type II utilizing recycled tire rubber. The sealant application life when heated to application temperature is approximately 12 to 15 hours. Product shall be able to be reheated to application temperature after initial heat up without specification degradation. Hot applied elastic joint sealant shall meet ASTM D6690 (AASHTO M324) Type II Spec. Limits:

Cone Penetration	90 max.
Flow	3mm max.
Softening Point	176F (80C) min.
Resilience	60% min.
Bond, -20F (-29C), 50% ext.	Pass 3 cycles
Asphalt Compatibility	Compatible
Minimum Application Temperature	380F (193C)
Maximum Heating Temperature	420F (204C)
Weight per Gallon	10Lbs. @°60F(15.5C)

Joint and crack router shall be Crafc0 200 Pavement Cutter or approved equal. The machine shall be capable routing existing asphalt and concrete surfaces, rout adjacent to the crack or joint and following random cracks. The machine shall have an adjustable depth control and be capable of cutting width modification. The machine shall be equipped with a safety electric clutch designed to disengage the cutter head during cutting operation without stopping to drive motor at the operator's need. When routing in PCCP wide shoulder carbide cutters shall be used for cutting stability.

Air compressor equipped with an inline water filter, min. 125psi/100cfm with a heat/air lance shall be used to clean joints and cracks. To remove any moisture a stainless steel heat lance shall be used. It shall be capable of proper force and producing temperatures up to 2500 F of forced hot air present to quickly and efficiently remove moisture from any surface.

Melters/Applicators shall be oil jacketed, diesel fired and at least 265 gallon capacity. Melters shall be capable of quickly heating, agitating and pumping the fiber sealant. The unit shall be capable of vigorously and continuously agitate the sealant. Temperature shall be controlled thermostatically. Melters shall be of newer design and in excellent working condition.

Saws used to re-saw JPC joints may be of a riding type saw or a walk behind. Saw HP shall be sufficient to cut out old sealant and widen the joints to the proper width quickly and efficiently.

## **SAMPLING AND TESTING**

Hot applied modified crack sealant shall be certified and/or sampled, tested and accepted in accordance with the Department's Sampling Manual. All rejected materials shall be acceptably corrected by the Vendor at no additional cost to the Department.

## **Section 2—Terms and Conditions of the Master Agreement**

### **2.00—Scope of the Contract**

1500000887	<b>Document Phase</b> Final	<b>Document Description</b> Asphalt Cracksealing District 10 Huff Sealing	<b>Page 8</b> of 18
------------	--------------------------------	--	------------------------

## **The KYTC Division of Purchases issues this Master Agreement for: Asphalt Cracksealing**

### **2.01—Contract Components and Order of Precedence**

The Commonwealth's acceptance of the offer indicated by the issuance of an Award by the KYTC Division of Purchases shall create a valid Master Agreement consisting of the following:

1. The written Master Agreement between the Parties;
2. Any Addenda to the Solicitation;
3. Any provisions of the Solicitation and all attachments thereto;
4. The Bidder's response to the Solicitation, and
5. The Kentucky Revised Statutes KRS 45A.

In the event of an inconsistency between provisions of the solicitation, the inconsistency shall be resolved by giving precedence in the following order: (a) the Specifications; (b) other provisions of the Solicitation, whether incorporated by reference or otherwise; (c) Contract or Master Agreement Terms and Conditions; (d) FAP 110-10-00 – General Conditions and Instructions for Solicitations and Contracts.

### **2.02—Initial Contract Period**

The Master Agreement will begin upon award and extend through 4/30/2016.

### **2.03—Optional Renewal Period**

This Master Agreement may be extended at the completion of the initial contract period for three (3) additional one-year periods. This extension must have the written approval of the vendor and the KYTC Division of Purchases. The Commonwealth of Kentucky reserves the right to renegotiate any terms and/or conditions as may be necessary to meet requirements for the extended period. The vendor will be advised of any proposed revisions prior to the renewal periods. In the event proposed revisions cannot be agreed upon, either party shall have the right to withdraw without prejudice from either exercising the option or continuing the contract in an extended period.

### **2.04—Divisions/Agencies to Be Served**

This contract shall be for use by the following Divisions/Agencies of the Kentucky Transportation Cabinet:

*Division of Maintenance and District 10*

No shipments or services are authorized until an official Delivery Order has been fully processed by an authorized agency.

1500000887	<b>Document Phase</b> Final	<b>Document Description</b> Asphalt Cracksealing District 10 Huff Sealing	<b>Page 9</b> of 18
------------	--------------------------------	--	------------------------

## **2.05—Quantity Basis of Contract**

This Master Agreement has no guarantee of any specific quantity, and the State is obligated only to buy that quantity which is needed by its agencies.

## **2.06—Exception to Required Use of Contract**

The establishment of this Master Agreement is not intended to preclude the use of similar products when requested by the agency. The Commonwealth of Kentucky reserves the right to acquire large requirements through other competitive processes.

## **2.07—Basis of Price Revisions**

**PRICE ADJUSTMENTS:** Unless otherwise specified, the prices established by the Master Agreement shall be firm for the contract period subject to the following:

- A. **Price Increases:** A price increase will not be allowed during the first six (6) months of the contract. Only one price increase will be allowed during the contract period. The price increase must be based on industry wide price changes. The contract holder must request in writing a price increase at least thirty (30) days prior to the effective date, and shall provide firm proof that the price increase(s) is justified. The KYTC Division of Purchases may request additional information or justification. If the price increase is denied, the contract holder may withdraw from the contract without prejudice upon written notice and approval by the KYTC Division of Purchases. Notice of withdrawal must be provided a minimum of forty-five (45) days prior to the effective date.
- B. **Price Decreases:** The contract price shall be reduced to reflect any industry wide price decreases. The contract holder is required to furnish the KYTC Division of Purchases with notice of any price decreases as soon as such decreases are available.
- C. **Extended Contract Periods:** If the contract provides for an optional renewal period, a price adjustment may be granted at the time the contract is renewed, subject to price increase justification as required "A. Price Increases". One (1) additional price increase may be granted during the extended contract period. This price increase will not be allowed during the first six (6) months of the extended contract period and will be subject to the conditions in "A" above.

## **2.08—Addition or Deletion of Items or Services**

The KYTC Division of Purchases reserves the right to add new and similar items, with the consent of the vendor, to the contract. If an addition is agreeable to both parties, the KYTC Division of Purchases will issue a Modification. Until such time as the vendor receives a Modification, the vendor shall not accept Delivery Orders from any agency referencing such items or services.

1500000887	<b>Document Phase</b> Final	<b>Document Description</b> Asphalt Cracksealing District 10 Huff Sealing	<b>Page 10</b> of 18
------------	--------------------------------	--	-------------------------

## **2.09—Changes and Modifications to the Contract**

During the period of the contract, a modification shall not be permitted in any of its conditions and specifications, unless the contractor receives electronic or written approval from the KYTC Division of Purchases. If the contractor finds at any time that existing conditions make modification in requirements necessary, the contractor shall report the matter promptly to the KYTC Division of Purchases for consideration and decision. All contract modifications shall be subject to the provisions of 200 KAR 5:311.

## **2.10— Reduction in Contract Worker Hours/Employee Furlough**

The Kentucky General Assembly may allow for a reduction in contract worker hours in conjunction with a budget balancing measure for some professional and non-professional service contracts. If under such authority the agency is required by Executive Order or otherwise to reduce contract hours, the contract will be reduced by the amount specified in that document. The reduction of hours may be applicable to those contract workers that provide a service in state government buildings on a regularly scheduled basis, such as janitorial, security guard, mailing services, and food services. These services will be reduced in hours only in those circumstances where the buildings will be closed. A notification will be sent to the contract holder in advance of any scheduled reduction in contract hours.

## **2.11-Equipment**

All equipment must be new and current model(s). The Commonwealth recognizes the rapid advancement of technology. If the vendor can provide new equipment of advanced technology after the award of the contract, the Commonwealth and the bidder may choose by mutual agreement to install such equipment. The price of the new technology equipment cannot exceed the cost of the award contract.

## **2.12—Basis of Shipment**

All shipments shall be F.O.B. Destination to the receiving agency. The vendor shall be fully responsible for all shipments and freight charges involved to the ordering agency. The responsibility for filing freight claims lies with the vendor.

## **2.13—Notices**

Unless otherwise instructed, all notices, consents, and other communications required and/or permitted by the Master Agreement shall be in writing.

After the Award, all programmatic communications are to be made to the Agency Contact Person listed below with a copy to the Division of Purchases.

From the issue date of this solicitation until a Contractor(s) is selected and the selection is announced, Offerors are not permitted to communicate with any Commonwealth staff concerning this solicitation

After the award of a contract, all programmatic communications are to be made to the Agency Contact Person identified in the contract document with a copy to the Division of Purchases Buyer.

After the Award of a contract, all communications of a contractual or legal nature are to be made to the KYTC Division of Purchases Buyer.

#### **2.14—Response Time**

Vendor guarantees to begin work within 10 Calendar Days after receipt of Delivery Order.

The Vendor agrees to and further authorizes the Transportation Cabinet to deduct as a penalty, \$500.00 per day for each line item for each calendar day beyond the Vendor's guaranteed start time that the work remains uncommenced.

#### **2.15—Inspection**

All supplies, equipment and services shall be subject to inspection or tests by the Commonwealth prior to acceptance. In the event supplies, equipment or services are defective in material or workmanship or otherwise not in conformity with specified requirements, the Commonwealth shall have the right to reject the items or services or require acceptable correction at the vendor's expense.

#### **2.16—Invoices**

Invoices, if required, shall be prepared and transmitted to the agency receiving the goods or services. One copy shall be marked "original" unless otherwise specified. Each invoice shall contain at least the following information:

- a. Contract and order number;
- b. Item numbers;
- c. Description of supplies or services;
- d. Sizes;

1500000887	<b>Document Phase</b> Final	<b>Document Description</b> Asphalt Cracksealing District 10 Huff Sealing	<b>Page 12</b> of 18
------------	--------------------------------	--	-------------------------

e. Quantities

f. Unit prices; and

g. Extended totals.

## **2.17—Payments**

A bill shall be paid within 30 working days of either the receipt of correct invoice, or receipt of goods or services in satisfactory condition. A penalty payment of one percent (1%) per month shall be added to the amount due the vendor for each full or partial month that the payment exceeds 30 working days. As an incentive for earlier payment, bidders for state contracts are encouraged to offer discounts for payments made in less than the prescribed 30 days.

## **2.18—Post Contract Agreements**

The Master Agreement shall represent the entire agreement between the parties. Prior negotiations, representations, or agreements, either written or oral, between the parties hereto relating to the subject matter hereof shall be of no effect upon this contract. The Commonwealth shall not be required to enter into nor sign further agreements, leases, company orders or other documents to complete or initiate the terms of the contract. Any such documents so obtained will be non-binding on the State and be cause for breach of contract.

## **2.19—Subcontracts**

The vendor shall notify the Commonwealth of any planned use of subcontractors in regards to the resulting contract. If the KYTC Division of Purchases is provided evidence of the vendor making such an arrangement without submitting the proper information prior to use of the subcontractor, the contract may be cancelled immediately.

This provision will not be taken as requiring the approval of contracts of employment between the vendor and their personnel.

All payments will be made directly to the contracted vendor. It is the vendor's responsibility to make payment to the subcontract. Payments shall not be made to the subcontractor by the Commonwealth. Subcontractors having nonpayment issues that could not be resolved with the Vendor, should report in detail these incidents to the buyer of record for this solicitation.

The Vendor shall ensure that all contractors or subcontractors comply with all applicable Federal, State, and Local laws, regulation, mandates, and terms of this solicitation and resulting contract.

Additionally, the Vendor shall not contract with any contractor or subcontractor that utilizes the services of illegal immigrants. Attached is the required affidavit regarding contractor or subcontractor employees.

The vendor is responsible for supplying the subcontractor with a copy of any applicable prevailing wage rates and the terms and conditions of the solicitation.

------------	--------------------------------	--	-------------------------

## **2.20-Service Performance**

All services performed under contract shall be in accordance with the terms and conditions of the contract. It will be the agency's responsibility to ensure that such services rendered are performed and are acceptable.

The relationship between the State and the Contractor is that of client and independent Contractor. No agent, employee, or servant of the Contractor or any of its subcontractors shall be or shall be deemed to be an employee, agent, or servant of the State for any reason. The Contractor will be solely and entirely responsible for its acts and the acts of its agents, employees, servants and subcontractors during the performance of this Contract.

Deviations of services performed will not be made without the written approval of the KYTC Division of Purchases. Problems that arise under any aspect of performance should first be resolved between the vendor and the agency. If such problems and/or disagreements cannot be resolved they should be referred to the KYTC Division of Purchases for mediation.

## **2.21—Assignment**

The vendor shall not assign this Master Agreement in whole or in part to another vendor at any time during the initial or optional renewal terms of the contract, without the consent, guidance and approval of the Commonwealth. Any assignment hereunder entered into, subsequent to the execution of the contract with the prime vendor, must be annotated and approved by the Commonwealth. Any purported assignment without this consent shall be null and void.

## **2.22—Termination of Contracts**

A contract may be terminated for default by the vendor, for the convenience of the Commonwealth, or for lack of appropriation in accordance with 200 KAR 5:312.

## **2.23— Endorsements**

The Contractor shall not refer to the Award of Contract in commercial advertising in such a manner as to state or imply that the firm or its services are endorsed or preferred by the Commonwealth of Kentucky.

## **2.24-Registration with the Secretary of State by a Foreign Entity**

Pursuant to KRS 45A.480(1)(b), an agency, department, office, or political subdivision of the Commonwealth of Kentucky shall not award a state contract to a person that is a foreign entity required by [KRS 14A.9-010](#) to obtain a certificate of authority to transact business in the Commonwealth ("certificate") from the Secretary of State under [KRS 14A.9-030](#) unless the person produces the certificate within fourteen (14) days of the bid or proposal opening. Therefore, foreign entities should submit a copy of their certificate with their solicitation response. If the foreign entity is not required to obtain a certificate as provided in [KRS 14A.9-010](#), the foreign entity should identify the applicable exception in its solicitation

response. Foreign entity is defined within [KRS 14A.1-070](#).

**For all foreign entities required to obtain a certificate of authority to transact business in the Commonwealth, if a copy of the certificate is not received by the contracting agency within the time frame identified above, the foreign entity's solicitation response shall be deemed non-responsive or the awarded contract shall be cancelled.**

Businesses can register with the Secretary of State at <https://secure.kentucky.gov/sos/ftbr/welcome.aspx>

## 2.25—EEO ACT

The Equal Employment Opportunity Act of 1978 applies to All State government projects with an estimated value exceeding \$500,000. The Contractor shall comply with all terms and conditions of the Act, if applicable.

1. Failure to comply with the Act may result in non-award, withdrawal of award, cessation of contract payments, etc.
2. Vendors/Contractors must submit the following documents in accordance with the requirements of the solicitation—EEO-1: Employer Information Report, Affidavit of Intent to Comply and Subcontractor Report or a copy of the Kentucky EEO Approval Letter issued by the Finance and Administration Cabinet, Office of EEO and Contract Compliance.
3. Vendors/Contractors may obtain copies of the required EEO documents from the Finance and Administration Cabinet's Web page at the following address:  
<http://finance.ky.gov/SERVICES/FORMS/Pages/default.aspx>  
**Scroll down to the section labeled procurement.**
4. Vendors/Contractors must advise each subcontractor/subvendor—with a subcontract of more than \$500,000—of the subcontractor's obligation to comply with the KY EEO Act. Further, Vendors/Contractors are responsible for compiling EEO documentation from their subcontractors/subvendors and submitting the documentation to the Finance and Administration Cabinet, Office of EEO and Contract Compliance. (Note: contracts below the second tier are exempt from EEO reporting.)
5. Failure to complete, sign and submit all required documents will delay the award process as incomplete submissions will not be processed. Further, alternate versions of the required documents will not be accepted or processed.
6. Pursuant to KRS 45.610 (2), the Finance and Administration Cabinet, Office of EEO and Contract Compliance reserves the right to request additional information and/or documentation and to conduct on-site monitoring reviews of project sites and/or business facilities at any point for the duration of any contract which exceeds \$500,000 to ascertain compliance with the Act and such rules, regulations and orders issued pursuant thereto.
7. All questions regarding EEO forms or contract compliance issues must be directed to the

## 2.26 – Discrimination

Discrimination (because of race, religion, color, national origin, sex, sexual orientation, gender identity, age, or disability) is prohibited. This section applies only to contracts utilizing federal funds, in whole or in part. During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity or age. The contractor further agrees to comply with the provisions of the Americans with Disabilities Act (ADA), Public Law 101-336, and applicable federal regulations relating thereto prohibiting discrimination against otherwise qualified disabled individuals under any program or activity. The contractor agrees to provide, upon request, needed reasonable accommodations. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability. Such action shall include, but not be limited to the following; employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensations; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability.
3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.
4. The contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965 as amended, and of the rules, regulations and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, as amended, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or federally-assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies

invoked as provided in or as otherwise provided by law.

7. The contractor will include the provisions of paragraphs (1) through (7) of section 202 of Executive Order 11246 in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor, issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

#### **2.27—Prevailing Wage (shall apply to the resulting contract)**

If the federal government or any of its agencies furnishes by loans or grants any part of the funds used in constructing public works, and if the federal government or its agencies prescribe predetermined prevailing minimum wages to be paid to mechanics, workmen and laborers employed in the construction of the public works, and if KRS 337.505 to 337.550 is also applicable, those wages in each classification which are higher shall prevail.

#### **2.28—Kentucky Sales and Use Taxes**

Sales of tangible personal property or services to the State of Kentucky and its agencies are not subject to state sales or use taxes.

#### **2.29—Extension Period**

This contract may be extended at the termination of all contract renewal periods for additional time not to exceed **90 days**. This extension must be accompanied by the written approval of the vendor and the Division of Purchases

#### **2.30—Extending Master Agreement To Other Agencies**

The Division of Purchases reserves the right, with the consent of the vendor, to offer this master agreement to other state agencies or political subdivisions who may have need for the product (s).

#### **2.31-Access to Records**

The contractor, as defined in KRS 45A.030 (9) agrees that the contracting agency, the Finance and Administration Cabinet, the Auditor of Public Accounts, and the Legislative Research Commission, or their duly authorized representatives, shall have access to any books, documents, papers, records, or other evidence, which are directly pertinent to this contract for the purpose of financial audit or program review. Records and other prequalification information confidentially disclosed as part of the bid process shall not be deemed as directly pertinent to the contract and shall be exempt from disclosure as provided in KRS 61.878(1)(c). The contractor also recognizes that any books, documents, papers, records, or other evidence, received during a financial audit or program review shall be subject to the Kentucky Open

Records Act, KRS 61.870 to 61.884.

In the event of a dispute between the contractor and the contracting agency, Attorney General, or the Auditor of Public Accounts over documents that are eligible for production and review, the Finance and Administration Cabinet shall review the dispute and issue a determination, in accordance with Secretary's Order 11-004. (See attachment)

## **2.32-Records Retention**

The Finance and Administration Cabinet may inspect the place of business of the Vendor or any sub Vendor under the master Agreement contract awarded or to be awarded by the Commonwealth. In accordance with KRS 45A.150, the Finance and Administration Cabinet may audit the books and records of any person who has submitted cost or pricing data under KRS 45A.120 at any time until three years from the date of final payment under the prime contract, and by any subcontractor for a period of three years from the date of final payment under the subcontract. Such books and records shall be maintained by the contractor for a period of three years from the date of final payment under the contract and by any subcontractor for a period of three years from the date of final payment under the subcontract. The Finance and Administration Cabinet shall be entitled to audit the books and records of a contractor or any subcontractor under any negotiated contract or subcontract other than a firm fixed-price type contract, provided, however, that this provision shall not limit the right to audit stated above. Such books and records shall be maintained by the contractor for a period of three years from the date of final payment under the prime contract and by the subcontractor for a period of three years from the date of final payment under the subcontract. The contractor shall place such the same audit requirement in any agreement it may have with a subcontractor under this contract.
